

Monica Squires, CPA

Manager

monica.squires@saltmarshadvisors.com

Monica is the manager in the Client Accounting & Advisory Services at Saltmarsh. She oversees the firm's accounting and financial operations to ensure accuracy, consistency, and compliance across financial reporting and internal processes. She brings a broad understanding of firm operations and financial management to support both leadership and internal teams.

Since beginning her accounting career in 2005, Monica has provided tax and financial analysis services across a variety of industries, including real estate, professional services, small businesses, and trusts and estates.
