

Jason Keith, CIA, CISA

Partner

jason.keith@saltmarshadvisors.com

Jason is a partner with experience across technology risk consulting and information systems. He began his career in the technology field over 20 years ago, focusing on risk management and compliance. His primary areas of experience include providing technology risk consulting services to highly regulated industries, including financial institutions, healthcare, and the defense industrial base.

He provides information security assessments, vulnerability and penetration testing, and compliance consulting. Prior to joining Saltmarsh, Jason held technology leadership roles such as Vice President of Risk, CIO, and COO, and also brings operational experience from serving as a Bank Director, Credit Administrator, Compliance Officer, and Financial Advisor.
